10 April 1953

MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: Proposed Instruction for the Implementation
of NSCID 16

1. Attached hereto is an instruction to OO and OCD which both offices recommend.

2. This instruction is particularly important because it alters a long-standing practice and pattern in respect of the library function regarding foreign language publications. It does not constitute an addition to or deviation from the functional policy statements of the Agency as applied to OO and OCD.
